

## **Prayers During Sickness** **Noorallah Juma, Ph.D.**

First of all, if we become sick, it is most advisable to seek medical attention immediately and take advantage of advances in medical science. Secondly, it is also advisable to seek spiritual and luminous help from NOOR Mowlana Hazir Imam and make him our constant companion through Divine remembrance as explained in the following tawil:

### **Tawil of the word 'Jalis' (Companion)**

"Hazrat Musa said: "O my Lord! Are you close so that I may whisper to you? Or are you remote so that I may call to You? He was told: "O Musa! I am the companion of the one who remembers Me." (al-Mu'jam, p. 257)" [Source: Tawil 253: A Thousand Wisdoms] (Page 137)

Sickness can last for a long time, therefore, it is necessary to continue physical and spiritual treatments simultaneously. Our faith teaches us that our fate is in the hands of the Holy Imam. Therefore, whether the disease **increases** or **decreases**, one should be **focused on the Holy Imam and his NOOR**. In other words, let the remembrance of the Holy Imam and his light should become our constant source of mercy and strength.

It is extremely important to pray with an **open heart** and have full faith in Mowla. Here is an example of a supplication:

**"O NOOR Mowlana Hazir Imam!** I have full faith in your pure light and you are the master of my destiny. Keep me humble, loyal and fill me with positive energy. Grant me patience, tolerance and strength as I go through this difficult phase of my life. I understand that this natural illness, according to a hadith of our Holy Prophet (s.a.s.) and a firman of Noor Mowlana Sultan Muhammad Shah (a.s.), is for the purification of my soul. I love you very much, and I prostrate and rely upon your light and beg for your mercy. Grant me the best in this world and in the next. Ameen."

Now this is how this works. The physical disease is just a catalyst to strengthen friendship with Mowla and his light. When we perform dhikr, Mowla becomes our best friend and constant companion. Fear vanishes when Mowla's light comes close to us or blossoms within us.

I have compiled the two most important surahs and the most important ayat from the Holy Qur'an and a sample of dhikr tasbis in the following three pages and hope that these resources will be useful to you.

**Ayatul Kursi (2: 255) (once)**  
**(This ayat is the most important ayat of the Holy Quran)**

**Transliteration**

**English Translation**

Bismillahir Rahmanir Rahim

In the name of Allah, the Most Beneficent, the Most Merciful

'Allahu laaa 'ilaaha 'illaa Huu. 'Al-Hayyul-Qayyum. Laa ta'-khuzuhuu sinatunw-wa laa nawm. Lahuu maa fissamaawaati wa ma fil-'arz. Man-zallazii yashfa-'u'indahuuu 'illaa bi-'iznih? Ya'-lamu maa bayna 'aydiihim wa maa khalfahum. Wa laa yuhiituuna bi-shay-'im-min 'ilmihiii 'illaa bimaa shaaa'. Wasi-'a Kursiyyu-hus-Samaawaati wal-'arz; wa laa ya-'uuduhuu hifzu-humaa wa Huwal-'Aliyyul-'Aziim.

Allah! There is no God save Him, the Alive, the Eternal. Neither slumber nor sleep overtakes Him. Unto Him belongs whatsoever is in the heavens and whatsoever is in the earth. Who is he that intercedes with Him save by His leave? He knows that which is in front of them and that which is behind them, while they encompass nothing of His knowledge save what He will. His throne includes the heavens and the earth, and He is never weary of preserving them. He is the Sublime, the Tremendous.
