## **Researcher's Note**

Ya Ali Madad! On the most auspicious occasion of Idd-e-Gaddir, the commemoration of the first Imamat Day of NOOR Mowlana Murtaza Ali (a.s.), a 40-postings project titled 'Idd-e-Gaddir, 40 Wisdoms of Gratitude and Angelic Salwat' was launched on January 8, 2007 and was executed over a period of 8 weeks. Each posting contained six parts:

1. A wisdom of gratitude in the knowledge section;
2. A verse of ginan with literal translation in the ginan section;
3. A dhikr tasbi which will be changed every 5 days;
4. The shahada to reaffirm our baiyat to NOOR Mowlana Hazir Imam;
5. The angelic salwat dhikr as a nazrana of our unconditional love and devotion; and
6. A prayer for a Golden Noorani Didar for the global Jamat.

In this document, the 40 wisdoms of gratitude are presented. This is another opportunity to reflect on different aspects of Imamat and the Ismaili Tariqah. This will also prepare us for the launch of the celebrations of 50 years of glorious Imamat of Ali-Zaman, NOOR Mowlana Shah Karim Al-Hussaini Hazir Imam (a.s.).

Let us pray to our beloved NOOR Mowlana Hazir Imam:

Ya Ali, Ya NOOR Mowlana Shah Karim Al-Hussaini Hazir Imam, grant us, our families, our Jamats, the worldwide Jamat, the Muslim Ummah, and humanity at large, luminous (noorani) and spiritual (ruhani) ta'id (help) to advance materially, spiritually and intellectually.

O Mowla make us one global Jamat with one Sound Heart (Qalb-i Salim), bless us with the Golden Jubilee and Golden Noorani Didars, and empower us to present material, spiritual and luminous nazranas. Ameen.

Peace, light, barakat, taid, Golden Jubilee and Golden Noorani Didars,

## **Idd-e-Gaddir, 40 Wisdoms of Gratitude and Angelic Salwat: A Reflection on Different Aspects of Imamat and the Ismaili Tariqah**

### **Guiding Principles for Project**

Let us first reflect upon the following sentence from Surah 5, Ayat 3 of the Holy Qur'an:

**"This day have I perfected your religion for you and completed My favour unto you, and have chosen for you as religion al-Islam."**

"According to the above Qur'anic verse (5:3), the perfection of Islam and the completion of the Divine favour took place the day Mawla Murtada 'Ali was appointed successor to the Holy Prophet (i.e., at Gaddir-e-Khum). This verse shows that the supreme favour of God was completion of the revelation of the Qur'an and the appointment of a successor of the Prophet, namely **waliyy-i amr** or the holder of the (Divine) command. There is no favour greater or superior to this.

God has ordered that the favours which He has granted should be remembered. The remembrance of Divine favours is, on the one hand, an act of appreciation and gratitude and on the other, it contains a deep philosophy of Divine remembrance and happiness. Truly, remembrance of the favours of the Benevolent Lord brings in its wake, flowers of happiness." (Source: Pearls of Marifat, Part 2, pages 40-41)

### **Scope of the Project:**

This project was designed for expressing our gratitude to NOOR Mowlana Hazir Imam for his continual guidance in all aspects of our lives, namely the physical (jismani), spiritual (ruhani) and luminous (noorani) dimensions. In addition of this, this project was also for creating sunshine in our hearts and preparing for a golden noorani didar and the celebration of 50 years of glorious Imamat of NOOR Mowlana Hazir Imam. It was based on the principles and teachings of our Holy Faith and can be used as a part of a personal search for spiritual enlightenment. Its application was personal, spiritual and intellectual and its scope was global.

### **Niyat and Wish List:**

Let us first declare our **noble** intentions and then invoke the 40 wisdoms of gratitude and angelic salwat project for exoteric and esoteric purposes. Ya Ali, Ya NOOR Mowlana Shah Karim Al-Hussaini Hazir Imam, we pray for:

1. humility so that we all can express gratitude to you because you, O our beloved present and living NOOR Mowlana Hazir Imam, are the greatest gift of Allah to us.
2. Mushkil Aasan and material, spiritual & intellectual upliftment of the global Jamat, the global Muslim community and humanity at large;
3. Salvation of all departed souls;
4. External and internal peace for the whole humanity;
5. Empowerment of our children with the correct understanding of our holy faith
6. The well being of the NOORANI Family;
7. Sunshine in our hearts and Light in our foreheads; and
8. The inner vision of the Truth! Ameen.

When we executed this project over a period of 8 weeks in 2007, we have paid respect and demonstrated gratitude to the great event of Idd-e-Gaddir, the first Imamat Day of NOOR Mowlana Murtaza Ali (alayhi salaam). Today the Light of Mowlana Ali (a.s.) is present in NOOR Mowlana Shah Karim Al-Hussaini Hazir Imam (a.s.), therefore let us demonstrate our utmost gratitude for this reality, Al-hamdullilah. Let us also take time to absorb the contents of the final posting for this project which is presented below. It is incumbent upon us to carry the Light of Imamat in our hearts and reach the stage of a sound, illumined heart (Qalb-i Salim). Rakh Mowla te (In Mowla, we trust)!

### **Kalame Mowla Verse:**

In verse 171 of Kalâmê Mowlâ, NOOR Mowlana Murtazâ Ali (a.s.) explains that luminous prayer (bandagi) (with a luminous word at a luminous time) leads to spiritual elevation. This is the mechanism which the lover of Soul (Ruh) and Light (Noor) uses to meet the Beloved. The transliteration and translation of the verse is as follows:

Rean martabâ bohot bađâ hey,  
sab khalkat pâwê ârâm,  
Pir payegambar walee Oleeâ,  
rât bandagisê sab pâa nâm,

Merâj rasul bhee râtmê (n) pâyâ,  
âshak wasal pâwê mâshuk,  
Jo tu(n) sâcha âshak hey,  
to rean bandagisê mat chuk ..... 171

The status of night is great (because it contains a luminous hour).

The entire creation attains rest during the night.

Pirs, Prophets, Friends and Saints,  
attained a lofty status through luminous prayers (bandagi).

The Messenger also attained Merâj (ascension) at night  
and the lover attains union with the Beloved (through luminous prayer).  
If you are a true lover (of Soul and Light),  
then do not miss the night's luminous prayer (bandagi)..... 171

It is important to first recognize the position of the Holy Imam from a perspective of Light (Luminosity). This is defined as follows:

### **Ta'wil of word 'Abad' (Timelessness, haziratu'l-qudus):**

"The sacred Sanctuary, i.e. **the greatest treasure of secrets is in the light of the forehead of the manifest Imam**, where God has gathered together all things related to intellect, knowledge, recognition and spirituality. The same sacred light also rises in the **forehead of the perfect arif** (a person who can see higher realities) for the sake of recognition. Thus, azal (pre-eternity), abad (post-eternity) and other realities are gathered together and centered in the enclosure of the light of the forehead." [Source: Tawil 13: A Thousand Wisdoms]

Please note the tight connection between the luminous (Noorani) personality of the manifest Imam, the luminous word, the luminous time and the luminous prayer. The murid has to first know the position of the manifest Imam, link the luminous word to the luminous personality of the manifest Imam, and then follow the path lit by the manifest Imam by practising luminous prayers in the small watches of the night, i.e., in the early hours before sunrise.

### **Dhikr Section:**

Let us refer to ta'wil of the word 'Ism a'zam (Supreme Name of God):

"Imam Jafar as-Sâdiq has said: "Allah has concealed one name, i.e., the supreme Name and He has 360 names." (Lughât, Sin, p. 175). **The supreme Name or the great secret is in two forms: as a word and as a person.** As a word, it is "al-hayy'l-qayyûm" (the Everliving, the Everlasting) (2:255); 3:2) and as a person it is the True Guide, i.e., the Prophet and Imam of the time (See Wajh, p. 124-29." [Source: Tawil 64: A Thousand Wisdoms]

'Allahu laaa 'ilaaha 'illaa Huu 'Al-Hayyul-Qayyuum (Allah! There is no God save Him, the Alive, the Eternal) is the first sentence of Ayatul Kursi, the most important ayat of the Holy Qur'an 2:255). From Ismaili point of view, we say that the beloved NOOR Mowlana Hazir Imam is living and his Noor is eternal. Therefore, today we will implore him with this most powerful prayer.

Now let now recite the **Yâ Hayyul-Qayyum, Yâ Aliyul Azim, Yâ Sahebuz-Zaman, Yâ Hazar Imam Tasbi.** You are welcome to download the [Yâ Hayyul-Qayyum, Yâ Aliyul Azim, Yâ Sahebuz-Zaman, Yâ Hazar Imam tasbi](#) in mp3 format.
