

**Preparations for Golden Noorani and Golden Jubilee Didars
Resources for Building Your Own Spiritual and Luminous Nazranas**

Ya Ali Madad. On this page, I have compiled a list of 22 projects with hyperlinks to index page for each project. The total number of posting pages is 472. The index page of SalmanSpiritual.com also has a list of quick links and links to PDF files. If all these items are taken as a unit, we now have resources which provide a strong foundation for: (1) preparing for Golden Noorani and Golden Jubilee Didars; and (2) presenting spiritual and luminous nazranas.
